CONDITIONS APPLICABLE TO ALL LIMITED WARRANTIES

Limitation of Warranty.

ALL WARRANTIES FOR THE PERFORMANCE OF THERMASTAR BY PELLA™ PRODUCTS ARE VOID IF THE PRODUCT IS INSTALLED OR MAINTAINED CONTRARY TO PELLA'S INSTRUCTIONS. This Limited Warranty does not extend to the use of this product under abnormal conditions, conditions that exceed the stated performance parameters of the product as provided on the product labeling and in the *Pella Architectural Design Manual*, or under conditions not reasonably foreseeable to, or beyond the control of, Pella. Buyer and User assume the risk of any such use. This Limited Warranty is the exclusive warranty for ThermaStar by Pella products. **NEITHER PELLA NOR SELLER MAKES ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR OTHERWISE. NO IMPLIED WARRANTY SHALL EXTEND BEYOND THE PERIODS COVERED BY THIS EXPRESS LIMITED WARRANTY.** This exclusion of implied warranties is not intended to extend to consumers, as that term is defined by the Magnuson Moss Act, 15 U.S.C. § 2301. Some states do not allow limitations on how long an implied warranty lasts for consumers, so the above limitation may not apply to you. Allocation of Risks of ThermaStar by Pella™ Product Performance.

Because all construction must anticipate some water infiltration, it is important that the wall system be designed and constructed to properly manage moisture. Pella Corporation is not responsible for claims or damages caused by anticipated or unanticipated water infiltration; deficiencies in building design, construction and maintenance; failure to install ThermaStar by Pella products in accordance with Pella installation instructions; or the use of ThermaStar by Pella products in systems, such as barrier wall systems, which do not allow for the proper management of moisture within the wall system. The determination of the suitability of all building components, including the use of ThermaStar by Pella products, as well as the design and installation of flashing and sealing systems, are the responsibility of Buyer or User, architect, contractor, installer, or other construction professional and are not the responsibility of Pella. All such risks related to building

design and construction or to the maintenance, installation, and use of ThermaStar by Pella™ products shall be assumed by Buyer and/or User.

IMPORTANT NOTICE: Pella® products **should not** be used in barrier Exterior Insulation and Finish Systems (EIFS) (also known as synthetic stucco) or similar systems. Except in the states of California, New Mexico, Arizona, Nevada, Utah, and Colorado, Pella makes **no warranty of any kind on and assumes no responsibility for Pella windows and doors installed in barrier EIFS. In the states listed above, the installation of Pella products in EIFS or similar systems must be in accordance with Pella's instructions for that type of construction.**

In no event shall Pella or Seller be liable for any incidental, consequential or special damages resulting from the use of any ThermaStar by Pella products. If Pella or Seller provides any of the remedies identified in the Limited Warranties above (i.e., repair, replacement of product, or refund of the purchase price), then Buyer and/or User agree that this limitation of liability shall **not** have failed of its essential purpose. Some states do not allow the exclusion or limitation of incidental or consequential damages for consumers, so the above limitation or exclusion may not apply to you.

Limitation of Remedy.

THE EXCLUSIVE REMEDY OF THE BUYER OR USER, AND THE SOLE LIABILITY OF PELLA AND SELLER FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE INSTALLATION OR USE OF THESE PRODUCTS, SHALL BE, AT THE OPTION OF PELLA, THE REPAIR OR REPLACEMENT OF THE PRODUCT OR THE RETURN OF THE PURCHASE PRICE OF THE PRODUCT, AS PROVIDED HEREIN. Replacement products shall be the closest equivalent current product and may not exactly match the original.
