The Covered Products consist of the door and frame with the Pella AdvantagePlus protection system, sidelights and transom. The door consists of the panel and any applied glazing material used on the rims, bottom gasket and bottom sweep, (and astragals and flush bolts where applicable). The Pella AdvantagePlus protection system frame consists of the jambs - top and side, aluminum cladding, sill, corner seals and aluminum brick mould. Grilles or any other alterations not installed by Pella Corporation may void this warranty. Factory pre-finishing, paint, stain or any other finishes applied to the Entry Door material are covered under separate warranty (See Section II) and excluded from this Limited Lifetime warranty. Non-factory finishing is not warranted. This warranty is in force only when the above named parts are genuine Pella parts and Pella assembled. This Limited Lifetime Warranty on Non-Glass Components does not apply to hardware finishes.

Wood Frame (10) Year Limited Warranty.

All Pella Entry Door wood frames are covered by a Transferable Ten (10) Year Limited Warranty. Pella warrants that Entry Door wood frames shall be free of manufacturing defects in material or workmanship that significantly impair their proper operation and function for ten (10) years from the date of sale by Pella or its authorized dealer. If Pella is given notice of a defect in materials or workmanship occurring within ten (10) years from the date of sale by Pella or its authorized dealer, Pella shall, at its sole option: 1) repair or replace the defective part(s) or product(s) (with cost of labor included only within two years of the date of sale by Pella or its authorized dealer); or 2) refund the original purchase price.

Removable Wood Grilles, Door Hinges and Door-Frame Weatherstripping (10) Year Limited Warranty.

All Pella Entry Door removable wood grilles, door hinges and door-frame weatherstripping are covered by a Transferable Ten (10) Year Limited Warranty. Pella warrants that these items shall be free of manufacturing defects in material or workmanship that significantly impair their proper operation and function for ten (10) years from the date of sale by Pella or its authorized dealer. If Pella is given notice of a defect in materials or workmanship occurring within ten (10) years from the date of sale by Pella or its authorized dealer, Pella shall, at its sole option: 1) repair or replace the defective part(s) or product(s) (with cost of labor included only within two years of the date of sale by Pella or its authorized dealer); or 2) refund the original purchase price.

Pella warrants that the non-decorative glass in Pella Entry Door products shall be free from premature failure or permanent material obstruction of vision due to a failure of the glass seal for twenty (20) years from the date of sale by Pella or its authorized dealer. If Pella is given notice of a glass defect occurring within twenty (20) years of the date of sale by Pella or its authorized dealer, Pella shall, at its sole option: 1) replace or repair the glass (with cost of labor included only within two years of the date of sale by Pella or its authorized dealer); 2) refund the original purchase price. Pella warrants that the Decorative Glass in its Covered Products shall be free from premature failure or permanent material obstruction of vision due to a failure of the glass seal for ten (10) years from the date of sale by Pella or its authorized dealer. If Pella is given notice of a glass defect occurring within ten (10) years of the date of sale by Pella or its authorized dealer, Pella shall, at its sole option, 1) repair or replace the defective glass (with the cost of labor included only within two years of the date of sale by Pella or its authorized dealer); or 2) refund the original purchase price. Covered Products installed in other than owner-occupied single-family homes are excluded from this Limited Warranty.

CHANGES TO WARRANTY CONDITIONS RESULTING FROM CHANGE OF OWNERSHIP OR OCCUPANCY.

If you transfer ownership of your single family home or cease to occupy your home, a transferable ten (10) year limited warranty on materials and workmanship replaces the Limited Lifetime Warranty on Pella's Entry Doors and Entry Door frames with the Pella AdvantagePlus Protection System. These transferable warranties run from the date the Covered Products are sold and therefore depending upon when you sell or cease to occupy your home, some or all of these warranties may have already expired. For example, if you sell your home twelve years after purchasing the Covered Products, the two ten (10) year transferable warranties will have expired and there would be eight (8) years remaining on the twenty (20) year non-decorative glass warranty. These transferable Limited Warranties automatically replace the Non-Transferable Limited Lifetime Warranty for Pella Entry Doors and Entry Door frames with the Pella AdvantagePlus Protection System upon your transfer of ownership of your single-family home or at such time as you cease to occupy your home.

Non-Glass Materials and Workmanship — Transferable Ten (10) Year Limited Warranty.

Limitation of Warranty.

FAILURE TO COMPLY WITH PELLA'S INSTALLATION AND MEINTENANCE INSTRUCTIONS VOIDS ALL WARRANTIES UNLESS IT IS CLEARLY ESTABLISHED BY THE BUYER OR USER OF THE PRODUCT THAT THE DEFECT OR FAILURE IS UNRELATED TO SUCH NON-COMPLIANCE. These warranties do not extend to the use of Covered Products under abnormal conditions, conditions that exceed the stated performance parameters of the product as provided on the product labeling and in the Pella Architectural Design Manual, or under conditions not reasonably foreseeable to, or beyond the control of, Pella. Buyer and User assume the risk of any such use. This Limited Warranty is the exclusive warranty for Pella Entry Door products. **NEITHER PELLA NOR SELLER MAKE ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR OTHERWISE. NO IMPLIED WARRANTY SHALL EXTEND BEYOND THE PERIODS COVERED BY THIS EXPRESS LIMITED WARRANTY.** This exclusion of implied warranties is not intended to extend to consumers, as that term is defined by the Magnuson Moss Act, 15 U.S.C. § 2301. Some states do not allow limitations on how long an implied warranty lasts for consumers, so the above limitation may not apply to you. These warranties give you specific legal rights, and you may have additional rights which vary from state to state.

Allocation of Risks of Pella Entry Door Systems Performance.

Because all construction must anticipate some water infiltration, it is important that the wall system be designed and constructed to properly manage moisture. Pella Corporation is not responsible for claims or damages caused by anticipated or unanticipated water infiltration; deficiencies in building design, construction and maintenance; failure to install Pella Entry Door products in accordance with Pella installation instructions; or the use of Pella Entry Door products in barrier wall systems which do not allow for proper management of moisture within the wall system (see below). The determination of the suitability of all building components, including the use of Pella Entry Door products, as well as the design and installation of flashing and sealing systems, are the responsibility of Buyer or User, the architect, contractor, installer, or other construction professional and are not the responsibility of Pella. All such risks related to building design and construction, or the maintenance, installation, and use of Pella Entry Door products shall be assumed by Buyer and/or User.

IMPORTANT NOTICE – Pella Entry Door products **should not** be used in barrier wall systems which do not allow for proper management of moisture within the wall systems, such as Finish Systems, (EIFS) (also known as synthetic stucco) or similar systems. Except in the states of California, New Mexico, Arizona, Nevada, Utah, and Colorado, Pella makes **no warranty of any kind on and assumes no responsibility for Pella doors installed in barrier wall systems. In the states listed above, the installation of Pella Products in EIFS or similar barrier systems must be in accordance with Pella’s instructions for that type of construction.**

Limitation of Liability.

This limited warranty sets forth the maximum liability for our products. In no event, (including where this Limited Warranty is deemed not to apply to the sale or product in question), shall Pella or Seller be liable for any incidental, consequential or special damages resulting from the sale, installation or use of any Pella products. Some states do not allow the exclusion or limitation of incidental or consequential damages for consumers, so the above limitation or exclusion may not apply to you.

Limitation of Remedy.

THE EXCLUSIVE REMEDY OF THE BUYER OR USER, AND THE SOLE LIABILITY OF PELLA AND SELLER FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE SALE, INSTALLATION OR USE OF THESE PRODUCTS, SHALL BE, AT THE OPTION OF PELLA, THE REPAIR OR REPLACEMENT OF THE PRODUCT OR THE RETURN OF THE ORIGINAL PURCHASE PRICE OF THE PRODUCT, AS PROVIDED HEREIN. IN NO EVENT SHALL THE LIABILITY OF PELLA OR SELLER EXCEED THE PRICE PAID FOR THE PRODUCT.

Replacement products shall be a reasonably similar current product and may not exactly match the original. Even where Pella chooses to repair or replace product within two years of the date of sale, the costs covered by this warranty do not include any labor or material costs associated with finishing space surrounding or adjacent to the repaired or replaced product including furnishing any trim or other carpentry work. Replacement product provided pursuant to this Limited Warranty shall be subject to the applicable Pella product Limited Warranty only for the remainder of the original warranty period on the product being replaced. If Pella or Seller provides any of the remedies identified in the Limited Warranties above (i.e., repair, replacement of product, or refund of the purchase price), then Buyer and/or User agree that this limitation of remedy shall **not** have failed of its essential purpose.
