## Quality vinyl windows and patio doors, backed by Pella.

Pella® 150 Series vinyl windows and patio doors feature long-lasting, quality vinyl frames.

They are energy efficient and tested for excellent weathering, durability and color retention.

Available at

### SLIDING PATIO DOOR PACKAGE:

- Dual-pane Low-E insulating glass
- Fade-resistant vinyl formula for excellent weathering, durability and color retention
- Single-point locking system with an interior thumblock for easy one-hand operation
- Optional cordless white blinds are permanently sealed between the panes of glass, protected from dust and damage
- Fully assembled and ready for easy installation

## \$1,165.00

72-in. x 80-in. sliding patio door

### FRAME SIZE

|        | Minimum  | Maximum  |
|--------|----------|----------|
| Width  | 46.5-in. | 95.5-in. |
| Height | 70.5-in. | 95.5-in. |

### FRAME TYPES

- 4-1/2-in nail fin frame can be used in new construction or replacement applications and allows for an easy installation.
- 4-1/2-in flush-flange frames are typically used in replacement installation applications, used to install against existing stucco facade, covering the existing window frame and creating a simple method for water management and an aesthetically appealing exterior look.
- Custom sizes are available in 1/8-in. increments for a precise fit.
