---

² Obscure Low-E insulating glass available with triple-pane glass.
² For best performance, the laminated glass may be in the interior or exterior pane of the insulating glass, depending on the product.
² Sound control glass consists of dissimilar glass thickness (3mm/5mm).
² Warning: Screen will not stop child or pet from falling out of window or door. Keep child or pet away from open window or door.
² Improved airflow is based on calculated screen cloth openness. Screen cloth transmittance was measured using an integrated sphere spectrophotometer.
