**ADDED SECURITY**

Integrated wireless security sensors maintain aesthetics, streamline security installation and ensure no warranty loss is caused by post-installation drilling. Sensors are compatible with major security panel systems. For more information, go to connectpella.com.

**INSYNCTIVE® TECHNOLOGY**

Thoughtfully designed to live discreetly in the frame, wireless sensors with Pella Insynctive® technology maintain aesthetics without voiding the warranty. Sensors compatible with major security panels and home automation systems.

**ENERGY STAR® CERTIFIED**

You don’t have to sacrifice performance for design. Pella Architect Series Contemporary products are the most modern windows and doors available with options to meet or exceed ENERGY STAR® in all 50 states.

**LONG-LASTING DURABILITY**

Aluminum-clad exteriors with EnduraClad® finish is applied in an overlapping fashion on windows for exceptional protection. Pella’s exclusive EnduraGuard® wood protection is applied after the pieces have been cut and milled, but prior to final assembly.

**THE BEST LIMITED LIFETIME WARRANTY**

Pella Architect Series Contemporary products are covered by the best limited lifetime warranty for wood windows and patio doors in the industry.

**TESTING BEYOND REQUIREMENTS**

At Pella, our products are tested beyond requirements to help ensure they have long-lasting performance and reduce call-backs for you.
